

Reduce Remove Conserve Membership Application

2019-2020

Reduce Remove Conserve (RRC) is an environmental conservation club operating at Chamblee Charter High School. Our mission is to reduce plastic pollution by encouraging students, teachers, parents, and everyday citizens to change everyday habits and actively make an effort to conserve the environment. We aim to reduce plastic waste that we produce through education and fun challenges, along with removing environmental waste through organized clean-ups.

Our club meets **every Wednesday morning at 7:30 AM in room 4118**. Our teacher sponsor is Mrs. Begum.

We have **club dues of \$10**, which must be turned in with this membership form. If you have financial difficulties with paying the dues, contact Ms. Begum.
